STIP AMENDMENT 98S-92-ACTION

ACTION UPDATE FROM NOTICE

This item was noticed at the January 2000 Commission meeting; the Commission requested the Action Item be placed on the consent calendar as originally proposed.

SUMMARY

This amendment programs \$2,487,000 from Tehama County's Unprogrammed Share Balance for seven projects: \$13,000 for one Planning, Programming, and Monitoring project and \$2,474,000 of State-only funds as a match for \$7,490,000 of Federal Highway Bridge Replacement and Rehabilitation (HBRR) funds allotted for six new local bridge replacement projects. Total cost for the six bridge replacement projects is \$10,129,000.

RECOMMENDATION

The Department reviewed this amendment and found it to be consistent with the Commission adopted STIP Guidelines. The Tehama County Regional Transportation Planning Agency is requesting this amendment.

RESOLUTION

Resolved, that the California Transportation Commission (CTC) revise the 1998 State Transportation Improvement Program (STIP) at the end of the 30 day notice period as shown on Attachments A & B.

BACKGROUND

This amendment programs \$2,487,000 in Regional Improvement Program (RIP) funding from Tehama County's Unprogrammed County Share Balance for one Planning, Programming, and Monitoring (PPM) project and as a match for six new HBRR projects in Tehama County. The total PPM available to Tehama from the 1998 STIP was \$351,000. Previously, \$338,000 was programmed for PPM and this amendment programs the remaining \$13,000.

Attachment A shows the RIP funding for the PPM and the matching funds for HBRR projects; and Attachment B identifies other local (non-STIP) funding commitments. The PPM and the HBRR match projects in Attachment A qualify for State-only funds under the Department's December 2, 1998 Project Funding Policy memo.
